“ I have never shared my memories, there was so many! She was my mentor, my friend, and my mother! I loved her so much! She taught me so much about God and I did a disciple class with her. I remember the last time I saw her was right before Easter, I wanted to wash her feet and she said no, she asked me did I want her to wash mine and I said no, not unless you let me wash yours. I left it at that. She was gifted and talented and when we used to go up on the mountain, she would have to wait for me. She always said, you need to quit that smoking. She is an angel and I miss her more than any words can say. I love you, Alda and everyday I am reminded of you! Thank you Jesus, for allowing to meet her and know her.

“ I can't imagine finding a better friend, mentor, motivator than Alda Hall. I still can't believe she is gone but there is no doubt where this beautiful lady is. I will remember her kindness and conversations as long as I live. I am thankful that my wife and sons got to know her. She will always be an inspiration to me.

I thanked her so many times for providing guidance (spiritual and motivation) to my mother when she needed her most.

You will never be forgotten and we will see you again.

Love,

“ Alda was a Special Lady and will be Missed for a very long Time. She was a Close Friend of My Mom and Dad and Any time I talked to Her she would always tell me of things They did while They were Young. I did not Visit Her like I should but She was so interesting to Talk to that Time seemed to Fly By. Alda was a Prayer Warrior and Was not Ashamed of Her Love for GOD. She has earned Her Rewards and Now is Enjoying Them. RIP Alda, I Love You.

“ The few years I knew granny have been a blessing to my life. No matter if I just stopped by to say hello, was there for a Sunday lesson, or dropped by for spiritual advice, She always welcomed me like part of the family. She definitely knew and loved the Lord and enjoyed sharing the gospel...I, like everyone that knew her have shed many tears of sorrow because we miss her but my faith and belief allow me shed tears of joy knowing that after a long journey, She`s made it home! Goodbye, until we meet again...Love, Jesse

“ She was the greatest grandmother you could ever ask for. She was an understanding, loving, caring and very headstrong women. She helped my Nana "Jeanie" teach me right from wrong and she looked after me when Nana couldn't. She was a great influence to me and I loved to hear her teach us the word of God. She will always be in my heart and will always be with. Life won't be the same without her here. I love you Mammaw and I always will.

“ So much I could say about my Sister in the Lord. I would call her nearly every Morning for 23 years ,when I worked at the Eastman, and I could talk to her about anything, and every thing. She was my spiritual leader. I ask her advice on just about everything. I knew her for 53 years, and she never changed one iota over the years on her belief in Jesus Christ. I remember one time. Regina, Alda Lou Thompson, and I were going to sing at this church in Bristol. I thought it was a Baptist church, and Sister Alda Hall was called on to give a testimony, She stood up, and said, "When Jesus was about ready to go back to heaven, He told his disciples all power is given me in heaven, and in earth, So if there is another G-d he doesn't have any power." I thought , "Oh me they will throw us out." lol But that was the way she believed, and she didn't care who it was in front of. she wasn't ashamed of Jesus Christ. I truly loved her dearly. “ My thoughts and prayers are with Regina, and all the children, and grandchildren. I will never forget growing up in a lil country church, listening to her sing and teach, Sister Alda was and will always be one of the most Greatest Women I have ever known. Earths loss is Heavens Gain, I loved her so very much, and look forward to the day I see her again. As she always prayed for everyone, I will be praying that God wraps you all in his loving arms.

“ I have a lot of childhood memories at Aunt Alda's. Although I did not get to see her often these last few years, I often thought of her. She is now at Home!

She will be missed by all. Love you Aunt Alda

“ My condolences to Regina and all of the children and grandchildren. I am so glad that I got to know Alda over the last 10 years. It was always a joy for me to speak with her and to discuss the scriptures. I enjoyed the opportunity to sit in church with her a few times as she taught and to visit in her home on occasion. She shared her heart and so much information about our families history that is invaluable to me. We spent a lot of time sharing information and tracing our heritage all the way to the mid 1700's. She was also a talented artist and during one visit gave me a painting of a seascape that now hangs in my home. It will always remind me of the wonderful and loving person that Alda was. She always kept me in hers prayers and I now keep all of you in mine as you mourn her passing. Keep the faith and know that she is now rejoicing with the Lord.

“ She was a pillar to the community and a humanitarian to all she met. Not once in my lifetime did I not see her share the gospel with everyone she met. She was strong spiritually, mentality, and unwaveringly in all aspects of life. She was a wonderful mother, grandmother, and great grandmother. She was always available for counsel at any time, day or night. She loved me so much and always called me "her boy" every time I called or went to see her. She gave me a wonderful father who loved G-d without limits who passed that love to many also. Granny was not rich as in money, but rich in love and compassion. Her baby girl, Regina, was the apple of her eye. They shared a bond between that was truly special. All of the grandchildren will remember so many special events they shared with Granny. Granny will live in our hearts forever!

“ Mamaw was my hero. She was always there to keep me and my family in line and teach us the Word of God. Life isn't going to be the same without her but knowing she made it into heaven is comforting and sets all of our minds to ease. She was a beautiful lady inside and out. She taught me so much and I cant thank the Lord enough for letting her be with us as long as she was. I know she's happy and healthy now and that's something for all of us to smile about :)

“ She was the best great Grandma anyone could ever ask for. She was beautiful, sweet, kind, and so loving. She understood better than anyone else. I've never met a woman more ready to go home to Jesus. She said she was Glory Bound for Heaven and we know that's where she is. Thank you for all you taught me and for being so amazing. I will surely miss you like crazy. You finally were you've always wanted to be. I love you with all my heart MimMaw. R.I.P. Gone but won't ever be forgotten. You've touched so many lives. 18 years with you just wasn't enough. I love you so much.

“ Many memories of Alda, the best of all was the day she and dad baptized me in the Holston River. I know I will see her in Heaven someday. Her passing is so sad, but I know she is singing with the angels right now. My prayers are with all the family.

“ Dear Jeanie and family,

Reg and I have happy memories of your dear Mommy, and you have our deepest sympathy. She was one of the most interesting, intelligent, caring individuals we ever met, and we learned so very much from her through her life experiences, her sincere faith and amazing wisdom. Oh, how fortunate to have met her in recent years as a result of knowing her sister, Addie Sproles, while working for the Air Force in Wiesbaden, Germany, in the 1960's.

Your family will benefit the rest of your lives from her teachings, and what a lasting and valuable legacy she left for all of you. May God continue to bless you.
