“ What an absolute sweet soul George was! I worked with him a while back at Chili's and he was so dependable, always worked hard and helped any time he could! He was such a big asset to Chili's and I know he will be greatly missed. I will be praying for the family for comfort in this time of sorrow. Until we meet again my friend. Love

“ George,
You will be truly missed. You were a genuine kind soul and you really made lifelong connections with all that knew you. I look back on all the fun we had working together and the great conversations. Whether we were discussing Lord of the Rings, Monty Python movies, Star Wars, wombats, or Stephen King books it was always great conversation and I always looked forward to your perspective. You had a memory like an elephant and the heart of a child. You were definitely one of a kind. I look forward to one day having those conversations again when my time comes.
Rest easy George.
