“ Sweet Lea Ann, we are so sorry for your loss of your precious Jessee. We remember how very proud you were of her and how much you loved her way back when you were one of our sweet, little ones. We pray that you will have the comfort of knowing that she is in heaven and is not confined in any way now and that because of Jesus Christ we can all be together one day. We love you and will lift you up in our prayers during the very hard time.
