“ So very sorry Jill and Grant to hear of Winnie passing. I just found out from another English lady in the area when I mentioned her being good friends with my mother Muriel. They were definitely a pair of English ladies to know and had many good years going to parties and meetings. I remember them as I was growing up and how much they enjoyed each others company. Surely they are having tea now in Heaven ! My thoughts and prayers are with you and the family.

“ This dear English lady is going to be greatly missed in the Bristol Va SR. Show Choir. She was truly an icon for those of us that joined the choir and watched her perform and her dedication to being a part of an organization that she cherished. Maybe she will be a band leader with some of the angelic choir in heaven! Rest in peace, dear Winifred.

“ Winnie was truly a Aunt of my heart. For years when I was little I thought she was my Aunt. The English club met monthly and I always looked forward to seeing her. She has always been apart of my life and she will be truly missed. Prayers for the family
